MEMORANDUM FOR: Deputy Director for Intelligence  
FROM: Director of Central Intelligence

1. I have been requested to give something like the attached to TIME magazine. I'd like:

- a. to see if you can improve it, and
- b. to get your ideas.

2. Trying to be cautious about acknowledging anything leaves it a little bland and obscure. I'd like your ideas on beefing it up.

3. I attach also the correspondence I have on this subject. I am inclined to prefer a statement to answering specific questions, although the question route can be made okay by reframing and trimming down questions.
